Every Skater needs to wear a **Helmet**. If you will not wear it, you will be disqualified and banned from the Halle59 Skatepark. We recommend wearing protective equipment as well.

The AbenteuerHallenKALK and JUGZ gGMBH will assume no liability for injuries, lost valuables, theft or any other damages. The organizer is allowed to use every media content from the competitor (pictures, videos), that will be made at Shred Cologne.

By signing this Disclaimer, the competitor agrees to compete at the skate competition and to refrain any damage claim to the organizer in case of accident. The competitor has realized that Rollerblading in a skatepark is dangerous. He will check out the park before he competes and he will only compete if he has the individual rollerblading skills for a skatepark like the Snipes Halle 59, Cologne!

The competitor respects the contest judging and any other competitor in the park.
